

# Carer Groups and Drop-in Sessions

## Introduction

Nottinghamshire Carers Hub offers a range of services to carers and their families across the county of Nottinghamshire. The service is funded by Nottinghamshire County Council and the local Clinical Commissioning groups.

We facilitate a range of support groups and 'drop in' sessions for carers across Nottinghamshire. In addition we work with partners who also coordinate groups that are accessible to carers.

We host a regular meeting for carers where a range of activities, speakers and a listening ear are available. We consult the members of the group to help put together a programme of events.

Please see the details of current groups, location and frequency. If you would like further information please contact us on: [hub@carerstruem.org](mailto:hub@carerstruem.org) or 0115 8248824.

We welcome new members and also partner organisations who may want to work together in the provision of support groups for carers and their families.

**Carers' Council – Allies in Adult Mental Health** is a charity offering support across Nottinghamshire including the City, to family, friends and carers of those experiencing mental distress. We provide someone to talk to about their experiences, information, advice, links with local mental health carers' groups, monthly committee meetings open to all members, quarterly Open Meetings with speakers and social activities, quarterly newsletter with topical information and details of forthcoming events and outings. We engage with the statutory services, especially Notts NHS Healthcare Trust, to provide advice and suggestions from carers' perspective, and contribute to staff training. To find out more or for support contact Judith on 0115 9179025 or email [judith.machin@ntlworld.com](mailto:judith.machin@ntlworld.com)
