Get support to find employment

Are you aged 16 or over?

Do you have a diagnosed Learning Disability, Autism or Asperger's?

Do you live in Nottinghamshire?

Are you looking for paid employment?

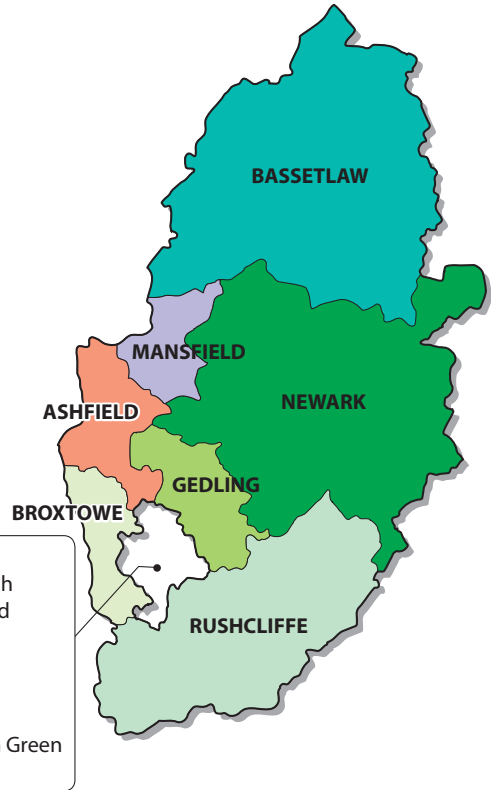

"They are really supportive in everything they do. I am now in a paid job and I couldn't have done it without their help and support."

Our i-work team can help you by:

- getting to know you, your skills, interests and support needs
- carrying out job searches and marketing specifically for you
- supporting you with travel training, application forms and interviews
- meeting with the employer and learning the job role ourselves
- supporting you in your work, providing ongoing one to one support
- encouraging natural support to form and grow within the work place
- offering training and support until you can do the job
- being available to you, your employer and colleagues to provide support and advice.

Could you offer employment to someone with a Learning Disability, Autism or Asperger's?
