Shaping health and care in Mid-Nottinghamshire

ARE YOU INTERESTED IN INFLUENCING CANCER SERVICES?

Join us on a journey to make Cancer care count

The Mid Nottinghamshire Cancer Patient & Carer Reference Group is inviting people affected by Cancer to work with us in a collaborative approach to improve local services.

Our pledge to you

- Support members to get involved, including training if needed
- Respect every member's views
- Ensure 2 way feedback is shared between the group and the Cancer programme
- Develop a workplan for the group

Our requirements from you

- Contribute to meetings, sharing ideas and constructive feedback
- Seek views through other Cancer groups that you might be involved with, and share feedback on their behalf
- Commit to attend meetings regularly if possible

How to get involved
